Zen Teacher Thich Dieu Thien is widely known around the world as a teacher of unlimited Wisdom and Compassion. Zen Master's teachings and interactive guidance are very dynamic, spontaneous, and lively, accessible to all levels of practice. Her Dharma talks, whether short or long, are always fresh, simple, and practical, but penetrate directly to the heart. They can help people to break through, believe, and realize that they have the capacity to Wake Up.

Born in Vietnam, Zen Teacher Thich Dieu Thien is the founder of Universal Door Meditation Center in Houston, TX in 2003 and together with Zen Master Thich Thong Hoi founded Suoi Tu Meditation Center in Dallas, TX in 2013.

She will join us for the Sunday sitting, which will be shorter than usual to give more time for practitioners to connect with her. Everyone is welcome. As with all events at IMA2, no entry fee is charged and donations are accepted.
